A. No.

Q. And in terms of your ability to provide an opinion on the issue of alienation, you, you have used that term in your report. Correct?

A. I did.

Q. Yeah. In terms of any training that you may have gotten through, is this part of your AFCC? Is that what you're describing? Did you receive any - sorry. I guess I'll ask the question this way. Do you - have you received any specific training with respect to the...

B. FORTINO: Q. Ms. Leiher, I just want to talk a little bit about the, the ending part of your testimony in-chief. Specifically, your commentary on the disclosure that you were told by Mr. Newton that there - what - that the mother wasn't - that the mother of Ms. Grillo, the grandmother of Zaria, was not present in August of 2022, when the recording was made. Do you recall that testimony? Let me put it this way. You, you raised some concerns. I think you said you had some concerns about the revelation that was made to you by Mr. Newton through a discussion he had with Mr. Lowenberg. Do you recall that testimony you gave before the break?

A. I recall that. Yes.
